

Maria Natasha

GEODETIC ENGINEERING

Personal Profile

Hello! I am highly organized, dedicated, and creative person. I enjoy new things and goals oriented. I have strong will, integrity, and conscientious towards my job/tasks. My abilities are knowing what other's feel and tolerate with others opinion, a good planner but flexible with any opportunities ahead, and adaptive with any pressure and incidental situation. I have the ability to learn from others, decide important decisions, and ensure that everything is on the line and reached the goal successfully.
